AMPCO LC/LD & FRISTAM FPX/FP CENTRIFUGAL PUMPS

LC/LD SERIES SANITARY PUMPS

Ampco's LC and LD Series of sanitary, 3-A compliant centrifugal pumps are designed specifically for the food and beverage market. These pumps are ideal for sanitary applications, including product handling and CIP solution handling. Plus, LC and LD pumps and parts are 100% interchangeable with Fristam FPX/FP pumps, respectively, and offer several advantages over Fristam.
